

**EUREKA COUNTY MASTER PLAN UPDATE
SURVEY**

Eureka County has an existing Master Plan that will be brought up to date with information from this survey. A County Master Plan is required by State law, but the contents are based on the needs and input of the county's residents.

Please mark your answer to each survey question. Comment boxes are provided for your written comments; and if more room is needed feel free to add additional sheets.

Please mail your completed Master Plan Update Survey by August 31, 2009 to:

J. Dahl
P.O. Box 2391
Fallon, Nevada 89407

Or you may complete the Master Plan Update Survey on the Eureka County website at www.co.eureka.nv.us

Thank you for participating in the Eureka County Master Plan Update

1. Do you prefer that the Eureka County Master Plan have a county-wide focus or be area-specific?

- County wide focus
- Area specific focus

2. How should Eureka County regulate land use?

- Strict policies and zoning
- Broad policies and general land use categories
- No zoning but general land use regulation
- No land use regulation
- No opinion

3. How important is the historic significance of older buildings, mining, livestock, outdoor recreation, irrigated agriculture, and other such history to you as a resident of Eureka County? Please rate with 1 being very important, 2 being important, 3 being neither important nor unimportant, 4 being unimportant and 5 being very unimportant.

1 2 3 4 5

4. How strongly should historic significance affect future development? Please rate with 1 being very strongly, 2 being strongly, 3 being moderately, 4 being weakly and 5 being not at all.

1 2 3 4 5
