The Heifer Belles began as friends getting together for some casual picking and singing. The next thing you know their special blend of back porch Americana was being drawn out of the living room and onto the stage. These local Grass Valley gals have easily charmed audiences ever since, with their lovely three part harmony on top of a perfectly paired three piece instrumentation. Juliet Gobert is the groups in house songwriter, lead singer, and guitar player. Both Kim Rogers, on pedal steel, and Toni Valenta, on bass, are harmony vocalists. With original material in tow and two thoughtfully crafted albums to show, were so pleased to welcome The Heifer Belles to the Opera House stage.
